Foreword

WE, THE CLASS OF 1953, wish to present our Maroon and Gray yearbook to you, the student body. As the senior class, we are the ones looked up to by the classes just entering our school; the class which the juniors and sophomores strive to equal; the class which this year has tried to be the best graduating class ever. Since this is our last year, many of us are making a supreme effort to make the school a better place for our being here. One of the things we have tried to do is to produce a yearbook that will appeal to everyone, from the seventh graders to the faculty and parents. We think we have accomplished this, but you must be the judge.

Producing a yearbook is a difficult task. Realizing this, the Maroon and Gray staff has worked long and hard to compile this book. We have tried to portray State High as we believe you may like to remember it, to include activities you have especially enjoyed in high school, and to make this book a souvenir as well as evidence of our achievements.

To you who have gone, may this Maroon and Gray refresh for a moment the memories of a pleasant past; to you who are still here, may it enhance the enjoyment of current events in high school life; to those who are to come, may its record of achievements prove to be of help in building a better future.

The experience of working together with friends to make a yearbook the best ever gives one a proud feeling when he sees it being distributed at the end of the year. Each staff member can honestly say that there is a part of him in the yearbook.

When you read this book years from now, we will know that we succeeded in making the Maroon and Gray successful if it takes you back to 1953 and makes you wonder whatever happened to the fellow or gal you were dating during your senior year, or reminds you of the time in choir you gave the director such a hard time.

Our journey through State High began in the seventh grade. Now we are seniors, and our journey is completed. We wish to thank all the teachers for their guidance, understanding, and patience through our memorable high school days. We realize that from our education comes our fortune. We also wish to thank everyone who contributed his time, energy, and talent to the producing of the 1953 Maroon and Gray. We are especially grateful to Miss Geuther, Miss Wrobleski, and Mr. Porter, our advisors, for their helpful advice and co-operation.

To next year's Maroon and Gray staff, may we wish the best of luck. We hope you will realize the responsibility resting upon your shoulders.

We, the class of 1953, in presenting our yearbook to you, say, "Keep the wheels of our school rolling. We have kept them going. From now on it is your responsibility."

STATE COLLEGE
HIGH SCHOOL

Dedication

To some of us, Mr. Anderson has been a homeroom sponsor, to others, a teacher, but he has always been a friend. His never ending patience and helpfulness have guided us when we needed it most. Whether it was an algebra equation or a personal problem, Mr. Anderson has always seemed to have the solution.

Many of us can not think of Mr. Anderson without remembering his "Thought Questions." How we slaved over them, wondering how anyone could possibly figure them out, only to arrive at class and have the answer explained so deftly and simply, that we wondered how we possibly could have gotten stuck.

A graduate of Butler High School, Mr. Anderson received his Bachelor's degree at Maryville, Tennessee. He received his Master of Science degree at Penn State. Outside of school, music and reading take up much of his time. He is also very interested in young people and their problems.

Among Mr. Anderson's virtues is that rare ability to be firm at just the right time. Although there may be a few of us who did not appreciate this, we realize now that we are better people because of it.

During our last year in State High, Mr. Anderson has served as our class sponsor. This year, more than ever, his unfailing advice and leadership have guided us in the right direction and helped to make our senior year successful. We can never forget this leadership.

For all these reasons we, the class of 1953, respectfully dedicate our yearbook to you, Mr. Anderson.

From Little Hub Caps To Big Wheels

THE DAYS OF DEPRESSION had come and gone. People were beginning to settle back to their old way of life. However, there was still much unrest in the world. Talk of a war with Japan and Germany grew more and more frequent until in December of 1941 came the attack on Pearl Harbor. War was declared, and we were again without our longed-for peace.

It was during this time that the members of the class of 1953 were busily reading their "Dick and Jane" books and already giving their teachers a great deal of trouble. The only remedy the teacher could find for "Bebe's" constant talking was to tape her mouth shut with scotch tape.

During second and third grades, one of the favorite songs was "Red River Valley" which, for some unknown reason, caused "Mossy" to blush every time. In fifth grade, the notorious "Gas House Gang" came into being; and in sixth grade, the police came to school for the "Gang." The still talked-about crime was the breaking of street lamps.

In September of 1947, we crept timidly through the Fairmount Avenue doors. At last we were part of the high school. Canteen, where we danced to records of "Far Away Places" and "Dance, Ballerina, Dance," became a big part of our life every Saturday night. The big social events, however, were the Country Club dances.

In eighth grade, Sari DeJuhasz and Dick Morgan received the American Legion awards; while Jacque Peters and Jack Musser received the same awards at the Ferguson Township School.

Junior High Student Council president in ninth grade was George Smith. Later that year, "Mossy" was elected treasurer of Senior High Student Council. The boys had been coached by Mr. Griffith in junior high sports, and many of them were now on first string. Cheryl, Pat, and Minki were picked from other freshmen girls for the senior high cheerleading squad. Yes, our class was getting prepared for bigger and better things.

During our sophomore year, we found that we had all of the privileges of a "big" senior higher. We elected as our first class officers: Ken Pahel, president; Pat Ramsey, vice-president; Minki Forbes, secretary; Cheryl Davis, treasurer. The boys entered the field of sports in a big way. Football, soccer, wrestling, basketball, track, and baseball drew large crowds. One of our most unforgettable sport scenes was the time Bill Kocher missed third base on his long, long homerun against Bellefonte. "Club 53," our Soph Hop, was our first chance to exhibit our newly created mirror ball which has become a tradition at our dances. Free yellow daisies were passed out to all the girls. A "Fun Night" was also planned and met with a great deal of success by having a huge cakewalk and, also, free admission.

In September of 1951, we awakened to the fact that we were juniors. What a wonderful feeling to know we were "up" there! George Smith, Jim Holmes, Paula Sunday, and Janet Reid were our class officers. Pat Kline was secretary of Student Council. During the Christmas season, we took time off for our first semi-formal dance at the Sigma Phi Epsilon Fraternity. A girl ask boy affair, it proved to be one of the best of the season. Blue and green streamers were used for decoration for our first big prom, "Fantasia," with the cartoon-pictures of George Humphrey and Louie Roscoe being the hit of the evening. As a class, we presented the Junior Plays, two comedies and a fantasy, with "Bebe's" cat playing the starring role.

As the fall of '52 dawned upon us, we suddenly realized that we were the big seniors! No more did we have someone to set an example for us; it was for us to set the example.

With the United States presidential election in the air, we elected as our class officers: Nick Buessum, president; Ralph Cryder, vice-president; Jody Laing, secretary; and Jacque Peters as treasurer. Bill Stoddart and Jim Holmes led our school in Student Council as president and vice-president, respectively.

Janet Reid was the new editor-in-chief of "The Piper" and Liz Anderson, editor-in-chief of the "Maroon and Gray." "Mossy" Morgan was elected president of A Cappella Choir and Ken Thomas, president of Band and Thespians.

In the fall, as usual, our eyes were focused on the sports scene. Our girls were well represented on the hockey field, the most important play being Ann Farrell's goal for the opposite team; as well as in the bowling alleys and on the basketball courts. The fellows had an important year, also. Everyone was in high spirits when we won our first football game against Moshannon Joint High School, and the season continued with our winning three more and losing six. The most important play of the season, however, was when Bill Knebel, a guard, made a touchdown for State.

The first dance of the year, our senior alumni dance, was a huge success with the theme of "Broadway Rhythm." Jack Huber's orchestra competed with the glittering stars and mirror ball as we waltzed through the evening.

Now, as we advance toward the diploma line, we will be leaving behind twelve years of great fun and excitement and taking along twelve years of acquired knowledge. With this educational background, we will be ready and prepared to meet new friends and new opportunities as they present themselves. So, goodbye high school days and come forward future.

Class Will

We, the class of 1953, being of sound mind and body, do hereby declare this to be our last will and testament.

To State College High School we bequeath our loyalty and pride in her name.

To the faculty we leave our sincere gratitude for their patience.

To the freshmen, sophomore, and junior classes we leave our well worn books of knowledge, and our everlasting friendship.

I, **Mary Elizabeth Anderson,** will Jack Raymond's snakes to Mr. J. C. Anderson.

I, **Frank Baird,** will my two crutches to anyone who wants them.

I, **Leona Barto,** will my seat in chemistry class to Janet Flenner with hopes that she will get the same grade I did.

I, **Mary Balets,** leave my pegleg to Nancy Ripka, because of unnecessary roughness in all girls' sports.

I, **Phyllis Baylets,** leave behind my love of basketball.

I, **John Bischoff,** leave behind my ability of getting name cards two months late.

I, **Ina Jean Bleich,** will my bookkeeping ability to my younger sister, Jackie.

I, **Kaye Witmer**, will my parties to any fool who wants them.

I, **Mary Zeek**, will room 216 to the class of '56.

The Big Wheels Roll Into The Big World

The wheels of time turn. It is the year 1973, and as we stroll through our old alma mater halls, our eyes suddenly fall upon a newspaper. Picking it up and glancing over it we are surprised to see an account of the activities of the class of 1953.

The first item we notice is that Jimmy Holmes, who has been working for Cats Incorporated, was recently elected president of the National Dog Pound Association. He expects to take over his new duties in July. His co-associates include Lefty Lee as vice-president and Diane Smith as his private secretary.

Carole Denniston and Ken Thomas are playing with Ross Fishburn's Insanity Band. It is rumored that the royalty obtained from their Victor records is making them worry over their income taxes.

Senator Nick Buessem now holds the world's record for non-stop filibustering. It was his eloquent oratory that defeated Senator Cryder's bill for making Baby Week and Pansy Week into one.

Ann Farrell, nationally known coach of the famous Red Hot Tamales, is in the hospital sufferfrom a nervous breakdown. Her doctor, the famous Joetta Laing, reports that her condition is as good as can be expected. Marlene Smith is taking over Miss Farrell's role temporarily.

Mary Pape and Jean Henry are foreign missionaries in India. They are collaborating in writing a book entitled, "How to Preserve the Natives."

Jacque Peters is singing for the New York Opera Company and is receiving a great deal of recognition. She owes much of her success to Eleanor Shoemaker, her accompanist.

Joyce Cox, producer of the new Broadway hit, "A Trolley Named Desire," has Doris Dale in the starring role. The music in the background is a piano arrangement by Barbara Butler. Kay Metz is also starring in a Broadway success entitled, "Nothing Matters Now." It was written by the playwright, Jim Raleigh.

The famous olympic swimming stars, Cheryl Davis and Carolyn Clinefelter, have just returned by boat from abroad. It took them over five months to arrive home. Their boat, piloted by Tom Swank, had taken a very roundabout way. On the boat were many of their old high school chums—Barb Rice, Pat Gilliland, Joan Williams, Paul Walker, Jim Riley, Bev Umholtz, and Jean Robinson. Tim Callenbach, the noted columnist, had reservations also, but cancelled them at the last minute because he couldn't find his waterwings.

Bill Knebel entered the Rockview Mental Hospital yesterday for a slight rest. His condition was greatly improved when he discovered his old friend Les Moyer, was there also. Attendants at the hospital include Bob Brown and George Jordan.

Bill Stoddart, president of the Stoddart Bubble Gum Factory, is on tour of the European countries demonstrating his product. His closest rival is the King-size Company whose chief blower is John Cole.

Hank Musser is a comedian on a nationwide television and radio network. His work, resembling that of the old timer, Jerry Lewis, has been received with widespread applause.

Bill Kocher, the famous home-run king of baseball, has just become manager of the Brooklyn Night Hawks. His salary is estimated at $150,000.

Gilbert Ghaner, Ken Rearick, and John Clark have opened up their famous cattle barns for inspection. Some of their first visitors were Bob Gilliland, the world's fastest tractor driver; Ron Rockey, Pennsylvania's fastest milker; and Ed Tressler, the teller of the tallest stories in the East.

Dave Krebs has just won the national soap box derby race. He claims his success is largely due to his trainer, Don Crummey.

Jeanne Seiler is under questioning about the strange and sudden explosion in the Chemical Building in New York. No one was killed but many were seriously injured. Among them were Barbara McGhee, Lois Hook, and Barbara Horner, office workers in the building.

Bennett Richards, the mathematical wizard, has just developed and worked out a new theory. He has named it the Long Theory after an old teacher of his.

Loretta Casselberry is the instructor of dancing and fencing at the University of West Virginia. Bill Hall is also on the faculty, teaching human relations.

"Bussy" Bischoff owns a hardware store in Canada with jack knives as a specialty. Pete Fogg is residing in Alaska in charge of cutting and planning igloos. "Curly" Homan has just invented a carplane which is estimated to go 1500 miles an hour. He has named his invention "Shadel's Special".

"Snort" Norton and Joe Eberly, the famous partner explorers, have just returned from a trip to Mars. It is rumored that they have found a new species of life and are hoping to return to Mars again in a few weeks after a lecture tour.

Don Gates and Bob Sauers, both professional football players with the Chicago White Wings, are touring the United States speaking to boys on the "Disadvantages of Football".

Sandra Mayes is broadcasting bedtime stories over radio station SKU which is owned by Doug Vonada. Her announcer, Dave Chisman, seems captivated with her stories. SKU also broadcasts an hour program of the violin music of Pat Ramsey.

Mary and Phil Baylets have recently opened their Roller Derby School. Their star pupils are

Barb Travis, Grace Kuhn and Ruth Foster. Alice Breon is handling the financial affairs.

Liz Anderson's new book; "How To Make Millions and Like It," has just reached the book stands. Many critics believe it will be a best seller in a week or two. The Publishing Company, Long and Van Ormer, is very much pleased with the book.

The picture, "Look, Don't Gasp," painted by Mme. Anne Van Tries, is entered in the Museum of Coarse Arts in Washington, D. C. Her business manager, Kaye Witmer, reports that the Mme. plans to travel for a few months of rest.

The "Follies" opened last night and had as their main attraction "The Three Its". To our surprise they were Donna Hetrick, Sari DeJuhasz, and Susan Pierce. The newspaper account mentions that there was a full house and among the spectators were Janie Harpster, Ina Jean Bleich, Joyce Markle and Marge Flenner.

Barb Kester has been crowned the nation's fastest typist. Other contestants were Mary Zeek, Barbara Sharer, who placed second, Helen Lentvorsky, Barb Snyder and Marlene Shuey. Betty Simco was also planning to enter but at the last minute she broke her wrist. Each girl was representing the company for which she works, after having won the chance in individual office contests.

Ted Holtzinger, Tom Ulmer, and Ted Trostle are employed by the police force of State College and are known as the three T's. The chief of police, Dorsey Houtz, claims he couldn't do without these valuable men.

Bob Hoy has been appointed to the coaching staff of Penn State. He is to be head track coach. Stearl Moyer, the trainer, says Tom O'Hara will assist Bob.

A new element, Melilum, has just been discovered by Bob Meahl. This news has caused great commotion. His assistant, Louie Roscoe, and secretary, Pat Ludington, have all been questioned on the matter. Proof is now being written to substantiate the discovery by Mona Jean Sweet.

Reggie Lingle and Phil Smock have just established a new bakery in State College. They boast of the fact that "they can make it if you can eat it."

Dr. Judy Morisette has just finished a very delicate operation on Milt Ferguson's split toenail. The toenail accident occurred as a result of a fight with Paula Sunday over the ownership of PeRo's.

At the "Lonely Hearts Poker Club" last night, Louise Mothersbaugh spoke on the different methods of the game. Lloyd Dills, who said he never played before, asked many curious questions. A game was played later and Dills had beginners luck and won with high honors.

George Smith and his famous dance band played at the ABC fraternity last night. Mason Walsh, renowned crooner, sang the opening song, "The Too Skinny Polka," a musical arrangement by Ron Thomas.

The Mike Wills-Jim Harpster Drugstore-Garage combination is doing a booming business. Also, Jerry Sundy, who has taken over the ESSO Station, has as his head mechanics, Kate Corl and Emma Garbrick.

Janet Reid, Ellyn Doty, and Nancy Williams are campaigning for the presidency of the "Be Dumb to Kind Animals Club." This club was founded a few years ago by Buzz Wink when he discovered his dog was quite a bit smarter than he.

Don Vinson, all-American track star, has given up his career for a nice quiet married life. He has had to undergo much medical care lately because of his long-windedness. A private nurse, Jane Waite, has often been called in to help.

A new dress creation entitled, "The Dutch Treat," has just been finished by the great dress designer, Minki Forbes. Her creation, introduced in Paris, has made quite a hit and many waitresses are even thinking of adopting it for their uniform.

Lynn Teaman has accepted managership of the State College theaters. His new job finds him often sitting in Bob Byers' Shoe Shoppe. However, you must admit his shoes are always shined.

Jack Madore traded in his Model A Ford. The ceremony took place in a quiet lot with many tearful eyed people looking on as Lee Confer, the lucky car dealer, accepted the car.

Ken Pahel, world renowned golf pro, was beaten last week by Jack Musser, an amateur, at the In Between Mountains Club.

The annual Quack Grass Conference is to be held in State College this year according to Roger Butler and Frank Resides, committee members. Werner Maier is to be hired as general interpreter.

Academy Award winner last year was Marjory Monroe, alias Pat Kline, in the movie, "Oh, No," playing the part of a cabin party chaperone.

George Humphrey is advertising agent for the drug stores in State College. He has made quite a name for himself by advertising mostly in cartoons. Tom Davidson is the official window washer for the stores and is often assisted by Joe Johnstonbaugh.

Carol Miller has won the speeding demon crown of '73. A reporter, Frank Baird, reported that it seemed she "just went zoom". Official time for the ten miles, clocked by Butler Hamilton, was .3479 of a minute. Helen Warner was runner-up and was clocked at .50 minute.

Carmen Weaver and Bebe Sullivan are coproducers of the movie, "Gentlemen Prefer Redheads." The gentlemen are Joe Jackson and Don Palmer. Leona Barto is dress designer with Jr. McChesney as camera man.

Dr. Richard Morgan has just announced that he will give a demonstration on the filling of a bicuspid. The patient, or rather the victim, will be Pat Skinner, who tried to commit suicide last week.

As we fold the newspaper, we think, "My, how time flies. It seems like only yesterday that we were mere Seniors in high school."

BAND

The band, under the able direction of Mr. Hege, once again completed a successful year. Mr. Hege was assisted by the following officers: President, Kenneth Thomas; Vice President, Ross Fishburn; Secretary, Chaye Corl; Treasurer, Joyce Gilbert. The band played at all of the home football games, and even managed to go to the Hollidaysburg and Bellefonte contests, although transportation was not provided. As well as cheering the team at games, they provided music for all of the pep rallies. Early in November, the band started rehearsing for its concert on March 27. The concert went off without a hitch. Those band members selected for district band at Martinsburg were Grace Antes, second bassoon; Alan Stone, solo clarinet; Jane Sinden, first oboe; Bob Meahl, first alto sax; Charles Myers, first cornet; Peter Fishburn, solo cornet; Ken Thomas, baritone horn; George Smith, second trombone; Ross Fishburn, snare drum; Dick Grubb, bass horn; Sylvia Breneman, tympani. State High was host band for the State Band Festival, held on February 5, 6, and 7. All were proud of those representing our band at district and state festival. We are sure that State High's band will continue to be tops

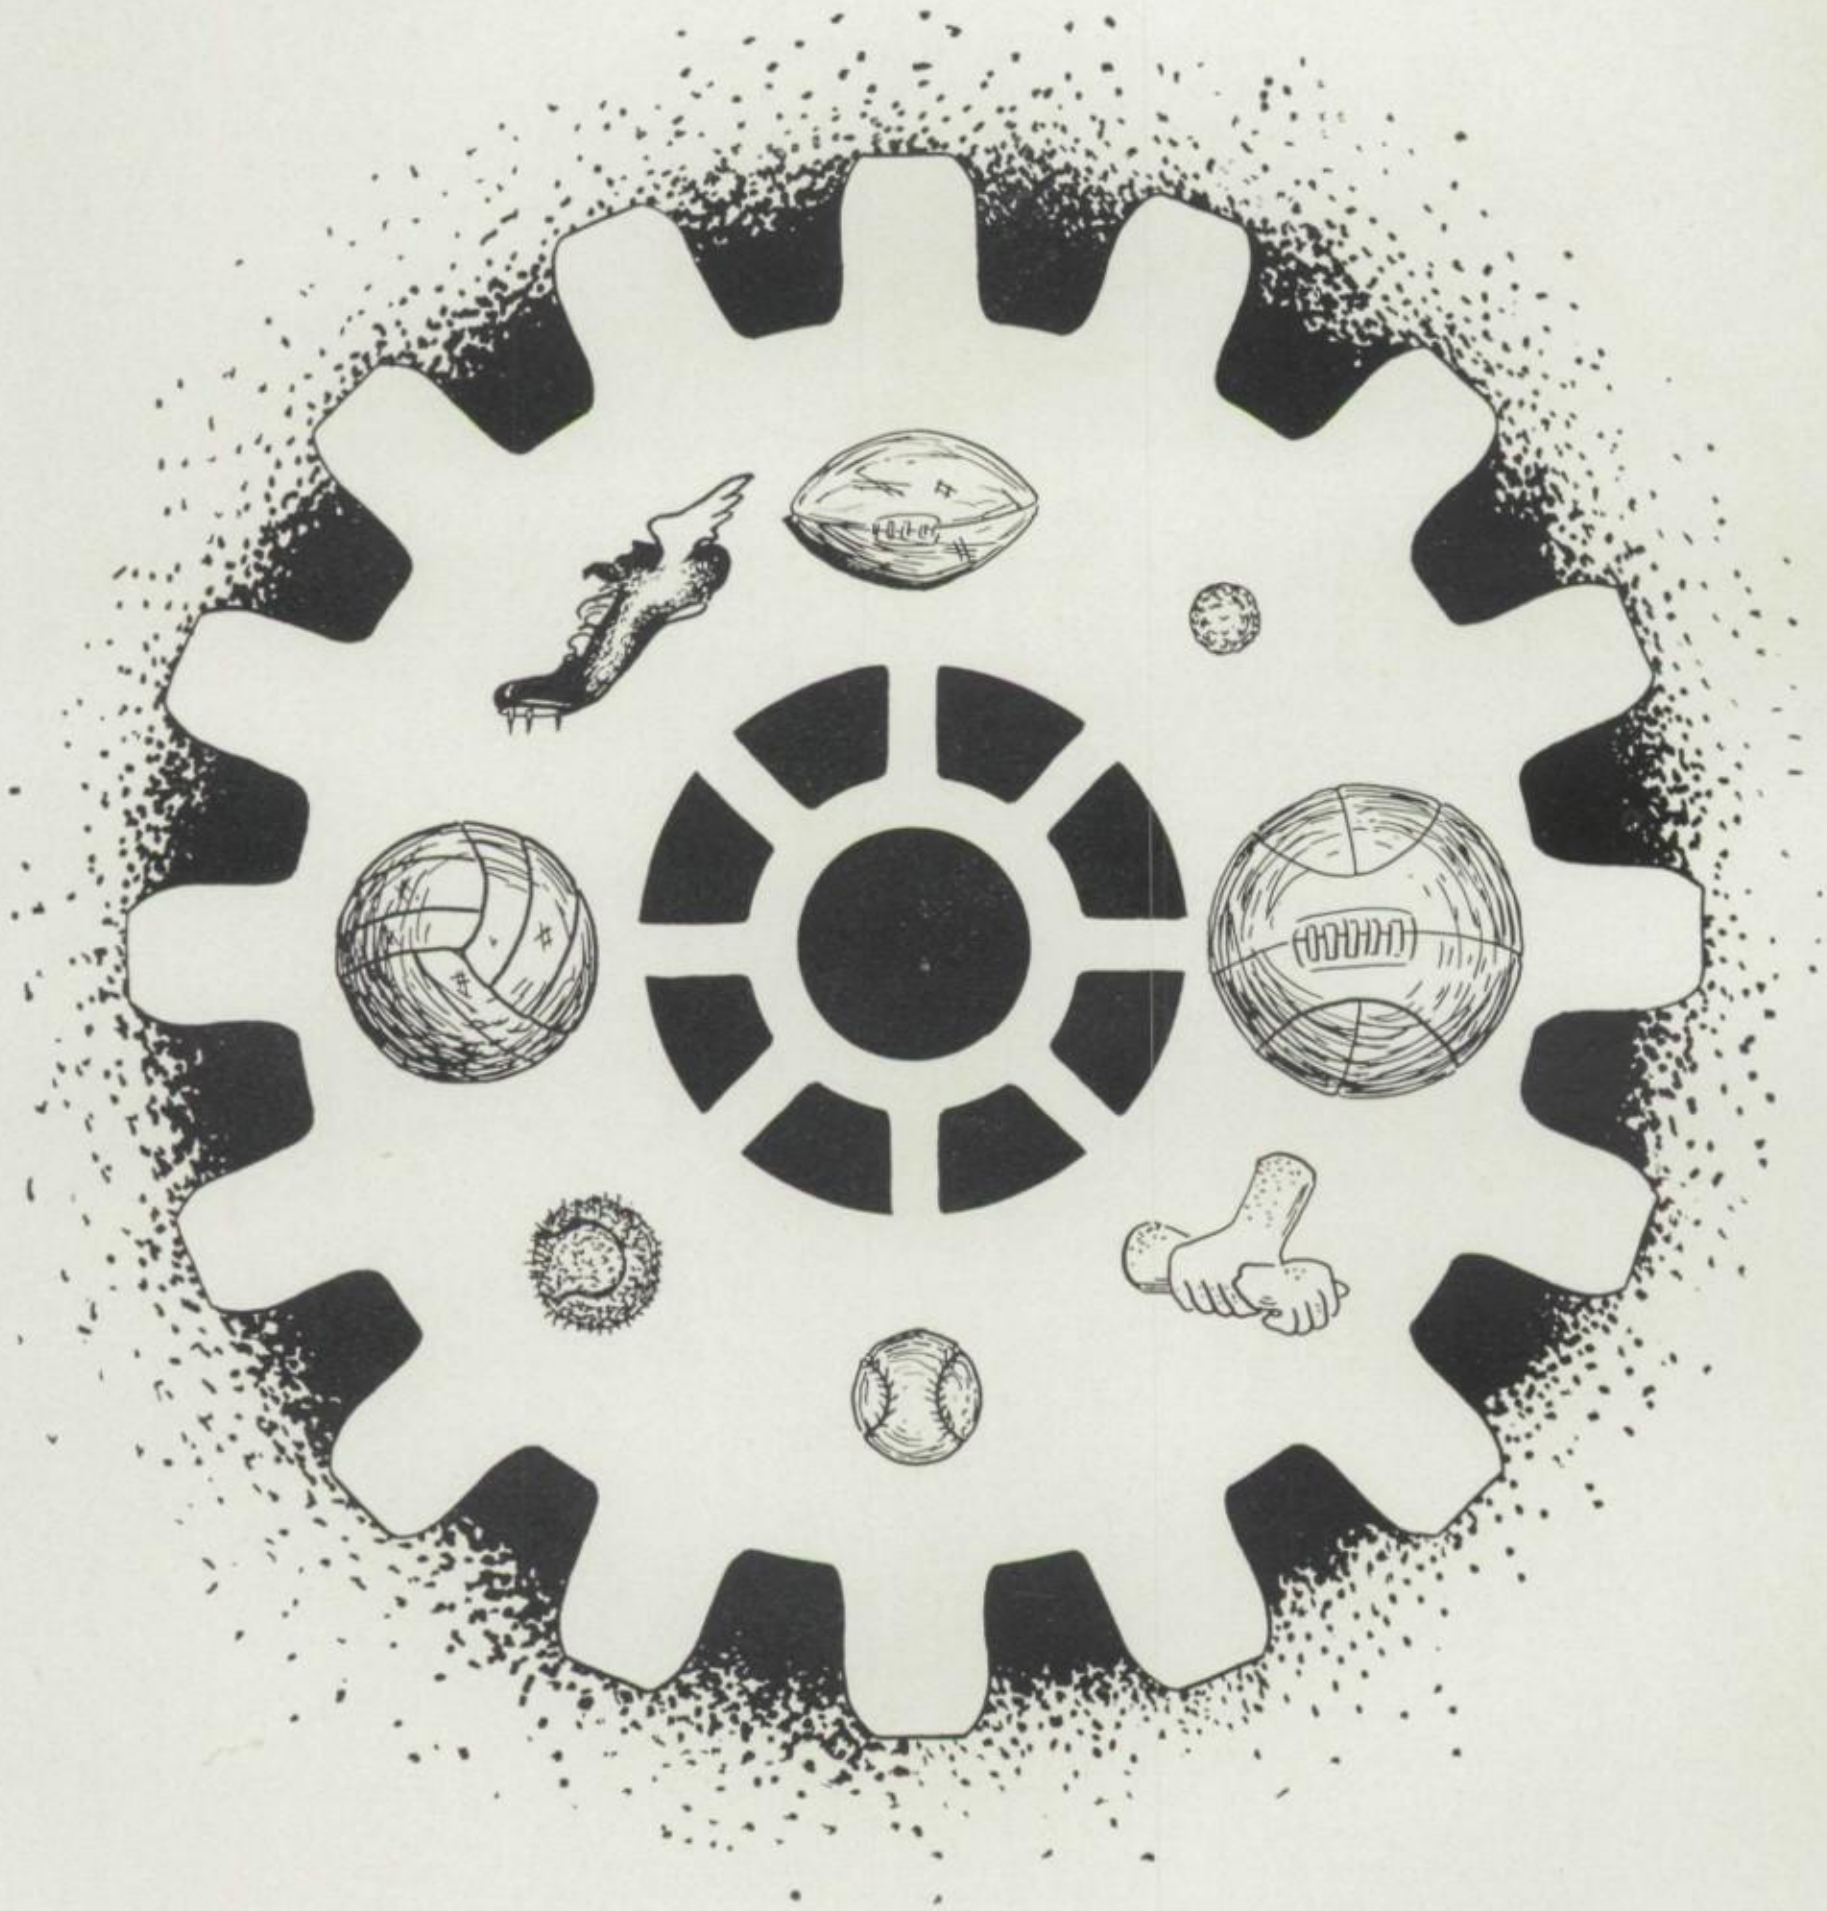
SPORTS SECTION



The Little Lions of 1952

STATE 20; MOSHANNON JOINT 0

Moshannon stubbornly held its ground in the first two quarters. In the second half Stickler scored on a bootleg and threw a pass to Holmes for another touchdown. Gates added a second extra point. Then late in the fourth quarter Charles Zeigler cleared a path from the two for Gates to score. Gates missed the conversion to set the final tally at 20-0.

STATE 19; EAST CONEMAUGH 0

Ian Drew opened the game with a 94-yard run to pay dirt. Gates' kick was good. After Bill Calderwood intercepted a pass, Gates smashed up the middle for the tally. Again, in the second half, Gates scored, with Drew and Hutchison paving the way. The extra point was not good. Ralph Jones scored for the visitors on a quarterback sneak from the two.

STATE 0; HOLLIDAYSBURG 39

Early in the game Drew fumbled and McGinnis scored. H-Burg scored twice in the second and third quarters on fumbles and passes from Fox. Dave Graham booted three extra points. The final touchdown was set up on a penalty, when Shaw bucked over for the tally. The extra point was missed and the score stood 39-0.

STATE 6; CLEARFIELD 28

Clearfield's Stu Wiggins ran for 192 yards, scoring two touchdowns and two extra points. Ken Dixon scored from the four. Late in the third period, Bill Myers intercepted a pass and raced 59 yards untouched for State's only score. State gave up two more points on a blocked punt. Clearfield's last tally came when Bernie Billott charged over from the two.

STATE 46; ORBISONIA 6

Bill Knebel opened the scoring when he picked up a free ball and jaunted 56 yards to pay dirt. Gates followed suit, scampering 76 yards on the first play from scrimmage. Bobby Sauers and Dick Morgan scored twice, while Drew raced 71 yards for six points late in the third period. Bob Snyder scored for the visitors on a yard pass from quarterback, Dick Rogers.

STATE 8; BURNHAM-DERRY 7

The Steelers lost no time in scoring, when Wayne Bohn raced 74 yards for their only score. Then Keith Weaver blocked a Steeler punt in the end zone for the safety, to set the score at 7-2. With less than a minute to play in the game, Gates smashed over from the one. Gates missed the extra point. Stickler and Sauers played good offensive ball.

STATE 0; PHILIPSBURG 27

Leon Muir started the whole business and clinched the game at the same time. He passed to Cario for the first tally. Then Dunsmore ploughed over from the four, which left P-Burg leading 13-0 at the half. In the third period Warren ran 14 yards to pay dirt and Watson scored the other touchdown from the two. Gene Minarchick had three extra points for the visitors.

STATE 7; TYRONE 12

The first Tyrone score came on a 47 yard pass from Don Riggleman to Allen Cowher. Riggleman's placement was not good. The Little Lions, however, bounced right back, when Stickler threw a screened pass to Gates for the score. That ended the scoring until Tyrone's winning effort, which was set up on passes from Charles DelBaggio. Fumbles lost the game for the Staters.

STATE 26; LEWISTOWN 33

Ian Drew scored on a lateral from Gates. Don Stickler threw to Holmes for the next score, and then scored one himself on a quarterback sneak. Gates' kick was good. In the second half Lewistown's Jerry Bannon scored three tallies and Tom McCaffrey ran 72 yards for another. With a 65 yard run, Gates tied up the score, when Van Horn scored on an intercepted pass for the visitors. Nick Buessem played good offensive ball.

STATE 0; BELLEFONTE 20

Bellefonte wasted little time in racking up the first touchdown of the heated contest. Star back Chuck Casper took a hand-off from McMullin and smashed over for the score. The half ended with Bellefonte still sporting its one touchdown lead. In the third period Casper again showed up well, when he scooted 52 yards for another tally. A minute before the final gun, Ronnie Behers ran around left end for the last score. State was weakened by the absence of Don Gates and Dick Morgan.

JUNIOR HIGH FOOTBALL

The 1952 Junior High football season proved to be a good one, showing three wins and one loss.

Under the supervision of Hal Griffith and assistant Bob Schell, the Lion cubs got off to a bad start by dropping a close one, 19-13 to Philipsburg. Learning a lesson from the Mountaineers, the Little Lions bounced back to smear Burnham-Derry 27-0. Dick Stine went wild with two tallies, while team-mate Ed Homan drop-kicked three extra points. Jim Artz and Johnny Pearce also scored. In the next game the Maroon and Gray juniors stopped the Baby Mountaineer boys 15-6. Paul Sweetland got into the act, when he scored eight points, with Frankie King getting an additional six on a pitch-out. Homan split the uprights for the extra point. Playing Burnham-Derry again, State racked up their third win by a 33-6 margin. The Lions put on their most stirring exhibition of the season, when George Moore went over the chalk line twice and Dave Holler ran an attempted punt to pay dirt. Stine and Pearce also tallied.

JUNIOR VARSITY FOOTBALL

Playing good ball, the Little Lion J. V. Football Team, coached by Joe Porter and Bill Long, finished a successful season by winning their last three contests.

In their opening game with Philipsburg, the Little Lion Reserves lost a last-minute decision by a score of 12-6. A week later, on home grounds, State fell to a strong and fast Clearfield aggression 19-2. The first win of the season came against a rugged Burnham-Derry eleven. Yeagertown's defense refused to give, as did the Staters. In the closing seven seconds, Ed Trembley passed to Dean Witherite for the winning tally. Again State College showed its great offensive might by stopping Bellefonte 12-6. Dean Witherite came into his own by scoring twice for the Lions. Bob Moyer and Don Harnett also played a fine brand of ball. Ending the season with a 20-7 trouncing over Lewistown was indeed a happy day for the Lions and little Dick Stewart, who scored all the touch-downs.

First Row: Moore, Homan, Glass, Sullivan, Lower, Oliver, Butler, Griffin, Transzoo, Stine, Beans, Markle, Artz, Sweetland. **Second Row:** Rose, Holler, Joeson, Lutz, Powell, Weaver, Shuey, Crope, Henry, King, Ishler, Jensen, Grindle. **Third Row:** Riceinger, Harbold, Rutherford, Hensey, Meridth, Vroman, Bohn, Gibson, Watkins, Reider, Altimus, Foster, Fry. **Fourth Row:** Mr. Schell, Rusk, Meyer, Armstrong, Pierce, Gill, Howell, Jensen, Hayes, Mr. Griffith.

VARSITY SOCCER

Under Bill Gibson, in his first year of coaching, the Little Lion Soccer Team showed a fair season's record of three wins against four defeats.

The Lion booters started off by losing a tough opener with Miles Township 3-2. As it was the first game for both teams, the going was fairly rough. Joe Jackson and George Bascom scored the Lion tallies, but by then it was too late. The following week, State beat Loganton with great ease. Tim Callenbach paved the way, when he booted three out of the six goals. Loganton, who was just new to the Central County League, was no match for the greatly improved Lions. Again Bascom along with Donaldson and Schoenebeck, scored one each. The next game was the turning point of the season with last year's champs, the East Penns Valley Indians. State, hoping to repeat last week's performance, was out-classed and lost a hard and clean-fought game by a 2-0 margin. The Millheim booters scored single goals in the first and second periods, and then threw up a stout defense that kept the Little Lions away from scoring territory the rest of the game. Hosterman seemed to be the outstanding figure for East Penns, although George Bascom tried to hold his own for State. Spring Mills edged a spunky State College team, 3-1, in two extra periods. Jerry Bruce of the Lions played a great game as goalie, even though he was swarmed upon for two goals in the first overtime period. The lone score for Gibson's booters was by George Bascom. The next game with Centre Hall, the eventual winners of the league championship, was just too much for the Gibsonmen. Scoring very early in the contest, they put the game out of the hands of the hard fighting Lions. George Bascom came through saving the Lions from a white-wash by scoring on a penalty kick late in the second period. The Little Lions scored their second win, handing Lewistown a 3-1 setback. George Bascom led the Lions with three tallies, all scored on penalty shots. State's other goal was netted by Tim Callenbach, when he jumped high in the air and caught it with his head. Buzz Wink played an outstanding defensive game along with Bruce Walsh and Joe Jackson. In the final game of the season, State beat Walker Township by a 2-1 score. Once again, it was the outstanding play of George Bascom who led the way for the Little Lions. Callenbach accounted for the second goal. Gibson pointed out Joe Carter as one of the outstanding players on defense along with George Humphrey, Buzz Wink and Bruce Walsh.

Varsity Basketball

1st Row: Lee, Morgan, Eberly, Holms, W. Stoddart, Walsh. **2nd Row:** Weaver, Stickler, Hutchison, Bruce, Mr. Griffith. **3rd Row:** R. Stoddart, manager; Drew, Stewart, Legory.

State High's basketball team experienced one of its best seasons in several years with a 13-4 record. Starting at a terrific clip it won six straight non-league games before dropping two league frays to Bellefonte and Lock Haven. Snapping back, it split with Burnham-Derry and laced Jersey Shore and Renovo each twice while whipping Philipsburg for a second time. Chances for a Central State League title were smashed as Lock Haven proved too much for the Griffithmen. However, the season ended successfully as State beat Bellefonte in a thriller, 74-68.

The big gun for the Staters throughout the season was Bill Stoddart whose 135 points in league play enabled him to end up second in the Central State League scoring race.

J. V. Basketball

1st Row: Mr. Glenn, Shannon, Cryder, Witherrite, Foster. **2nd Row:** Goas, Baker, McClellan, Farrell, Bailey. **3rd Row:** Trembly, Lee Harnett.

Coach Skip Glenn's crack Junior Varsity basketballers compiled the best J. V. record at State High, winning 15, while losing but two.

State won its first game, but suffered defeat at the hands of powerful Lewistown in its second outing. From there it went on to win thirteen in a row, mauling every team that crossed its path. Then a strong Lock Haven team turned the trick as it broke the Lions' winning streak, but it rallied to triumph over its traditional rival, Bellefonte on its last game.

Paul Cryder was the high scorer with 239 points in 17 frays. Dean Witherite was second with 219, while Don Harnett, Dick Hassinger, and Ed Trembly composed the rest of the starting five.

The State Junior Hi five, better known as the "Little Lion Cubs", streaked through an undefeated season with Coach Joe Porter at the helm.

The State Juniors completely overwhelmed their opponents with their fine ball handling. They had little trouble until meeting the rugged Philipsburg squad, but they won by a 34-28 margin. State also romped over their old rival, Clearfield, 68-37.

The teams' average height contributed a great deal to its winning streak. The Cubs had four men over six feet, with Paul Sweetland topping the list. Paul sank 120 points for the high scoring honors, followed by Dick Stine with 106.

Harry Beans, John Krall, Roy Markle, and John Pierce played good defensive ball and sparked the team.

Wrestling

The Little Lion wrestlers, out to better a 1951-1952 record of three wins and six losses, did so under the watchful eyes of their new coach, Bob Schell.

The first meet, being in the bad month of December, caught the Lions off guard as they dropped their opener to a good Lock Haven team. In the next meet the Schellmen exhibited unforseen strength in the middle and heavy weight classes, as they proved they could beat a powerful Tyrone aggregation, 25-24. The Little Lion grapplers put on a tremendous rally after falling way behind, when John Cole decisioned Al Hagg in the final bout. After winning an uphill battle with Tyrone, they traveled to Burnham-Derry where they scored a complete sweep except for two weight classes. The well-rounded Little Lions opened and closed the meet with falls, but had to really work for their wins in between. The score stood 31-6.

The Schellmen rolled to their third straight win by trouncing the Panthers of Lewistown, 31-12. The Maroon and Gray built up a 12-3 lead in the first four bouts, almost lost it in the middle weights, then came back with three falls in the last five bouts to gallop away with the contest.

After winning three in a row, the Staters moved to Bellefonte where they lost 35-12 before a packed house of screaming fans. The Schellmen could only come through with two falls and one draw.

The following week the Little Lions lost another contest before a good crowd to a precision-built Clearfield team, experienced and skilled in every phase of the sport, 38-3.

Going on to Hollidaysburg the Lions tried to get back into the winning circle, but had to be content with a 17-17 draw.

Their last two losses with Philipsburg and DuBois ended their 1952-53 wrestling season on an unsuccessful note. Their season's mark was 3-5-1.

Standouts this year were George Smith, Ralph Cryder, Hank Barone, Dick Baker, and John Cole. All others who contributed included Jerry Harpster, Loran Foresman, Larry Smith, Carl Houtz, Ed Tressler, Charlie Myers, Georgie Bascom, Bill Calderwood, Tim Callenbach, Joe Jackson, Keith Weaver, Jack Haworth, Don Asendorf, Les Moyer, and Jim Stephens.

Golf

1st Row: Mr. Armstrong, B. Stoddart, Fishburn, Pahel. **2nd Row:** Campbell, D. Stoddart, Barone, Buffington.

Golf at State High is a sport which seldom gets the credit that it deserves. But the fact stands, over the years of State High sports, that the various golf teams have had, by far, the best win record of any fall, winter, or spring sport.

Last year, the golf team, under the direction of "Coach" Phil Armstrong, won six out of their seven meets. After smearing Lewisburg, Selinsgrove, and Williamsport each twice, they tied a strong Philipsburg crew, 7½-7½. This was no doubt their toughest meet of the year.

Last season, Ned DeCamp and Ken Pahel placed 9th and 10th respectively in the State golf meet. Pahel will probably once again be the outstanding golfer on the team this year.

Tennis, like golf, for years has not been very well known around State High. Last year an intramural tennis team was organized and directed by James Maurey. It was highlighted by a round robin tournament in which each participant was scheduled to play everybody else. Dick Norton came thru undefeated to capture the cap, while Joe Eberly, Louie Roscoe, and Bruce Walsh were runner-ups.

The first three, piloted by Maurey and assisted by Ross Fishburn, manager, entered the States in May at Penn State. Norton, in the first round, lost to Bibleheimer, who was eventually to take the singles crown. Eberly and Roscoe teamed up with each other in the doubles and were also eliminated in a close match.

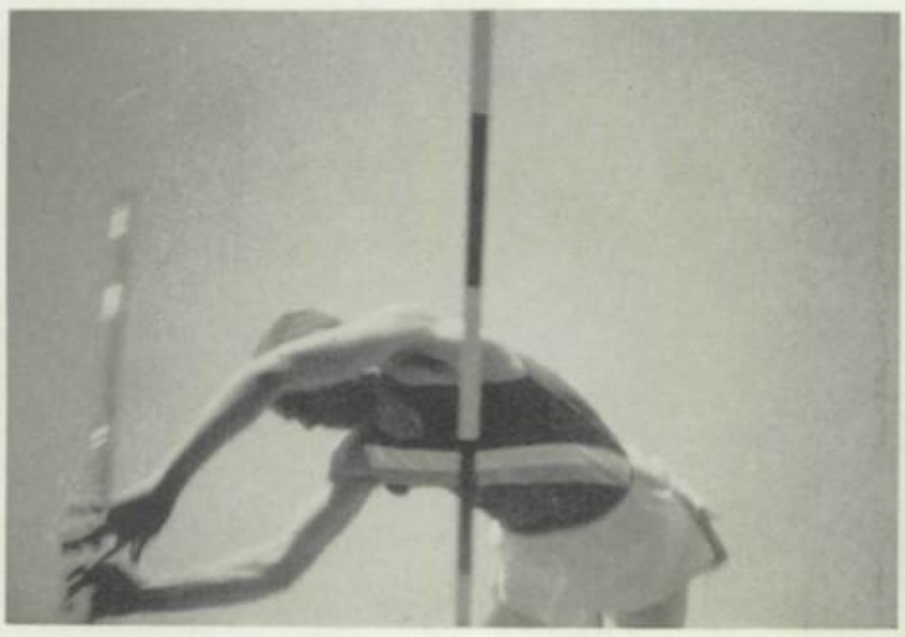
The track team, under the direction of Coach "Yib" Bolton, went through another undefeated season at New Beaver Field.

For several years now, the P. I. A. A. State Championship Meet has been at Penn State. Seen at the States last year were Don Vinson, Jim Holmes, Bob Sauers, Dick Stewart, Ian Drew, Ronald Rockey, and Nick Buessem.

Also seen for the first time last year were the new smart-looking uniforms which consisted of white shorts and maroon shirts with a gray and white stripe. These were purchased by the boys themselves as were the new maroon warm-up suits that were worn this year.

The seniors who have been point-getters for the past years are Bill Knebel, Pete Fogg, Jim Raleigh, Ken Thomas, Mase Walsh, and Bob Hoy.



Baseball

1st Row: Bell, Holtzinger, Gates, Lee, Foster. **2nd Row:** Calderwood, Weaver, Stickler, Bruce, Mr. Hanna.

Coach John Hanna's 1952 edition of the maroon and gray baseball squad proved that the national pastime was definitely on the upgrade for State High. They won five and lost three, two of the losses being to unbeaten Lock Haven.

They opened the regular season by losing to Philipsburg, 10-8. In the following game, however, Don Gates fashioned a seven-hitter to beat Bellefonte, 8-4. After Lefty Lee belted a home run against Lock Haven, Gates hurled a four-hitter in the next game to whip Clearfield, 6-3. Then Tony Callenbach, normally a relief pitcher, twirled the season's masterpiece a 1-0, one-hit victory over the Bisons.

After losing again to Lock Haven the Statemen traveled to Bellefonte and closed the season on Gates' five-hitter, 15-6.

G. A. A.

1st Row: Rider, Pres. Anderson, Vice-Pres. Davis, Sec. Doan, Treas. Gilbert, Farrell. **2nd Row:** Miss Springer, Shawley, Humphrey, Bedenk, Jones, Clinefelter, Pierce.

G. A. A., the Girls' Athletic Control Board, is an honorary group of girls elected each year by classmates for their sportsmanship, leadership, and dependability. There were eighteen members this year, two freshmen, four sophomores, five juniors, and seven seniors. Officers, too, are elected annually. This year's officers were: president, Mary Elizabeth Anderson; vice president, Cheryl Davis; secretary, Marilyn Doan; treasurer, Joyce Gilbert; and faculty advisor, Miss Springer.

Early each year, G. A. A. has charge of a mixer after a home football game. It is at this mixer that the initiates are usually called upon to make fools of themselves.

The job of G. A. A. is to plan and govern all girls' sports activities. The after school sports consist of hockey, bowling, basketball, badminton and baseball. Also, G. A. A. plans "Playday," the day basketball teams from other towns come to play off tournaments. As a grand finale, G. A. A. sponsors a banquet for senior high girls at which all awards are presented.

Thus, one more wonderful year of fun and fellowship rolled on!

Hockey, one of our most popular sports for senior high girls, started this year with the usual enthusiasm bringing out approximately sixty-five players. It was the first sport of the season, and any senior high girl was eligible. Under the direction of Mrs. Hamill and Miss Springer, girls from the tenth, eleventh and twelfth grades formed to make their teams. The games were played in a round-robin tournament. Captains were elected for each team. Mary Elizabeth Anderson represented the seniors, Joanne Bedenk was elected by the juniors, and the sophomores chose Phoebe Humphrey. Games were played Monday and Tuesday after school for several weeks with the seniors coming out ahead to win the tournament.

Star players, selected for their interest, ability and cooperation by Miss Springer and Mrs. Hamill, were placed on the Army or Navy team. These honorary teams played three games and brought to a climax the hockey season. About thirty players made up the two teams ending in a three game tie. Army won the first game 1-0, Navy the second 2-0 and the final game was scoreless.

It's been
fun this year.
See you next, I
hope.
Luck

Dear Barb,
It's been swell having
you for a classmate.
But I still like your
best when you have
a "hairy beast" in your
bed.
Loads of Luck
Always
